MEMORANDUM FOR [REDACTED]
Chairman, Committee on Procurement of Foreign Publications

SUBJECT: Membership

During the past month several personnel changes have occurred in this office. This has necessitated a realignment of OSD membership on several of the committees of the USIB.

The attached revised listing accordingly shows the current OSD membership, and it would be appreciated if you would accept it in place of separate notification.

Whenever necessary, new OSD committee members are prepared to provide committee chairmen with evidence of necessary security clearances.
